Manufacture of banned drugs in India

1746. SHRI SUBRAMANIAN SWAMY:
DR. (SHRIMATI) SAROJINI MAHISHI:
SHRI CHITTA BASU:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that in our country many drugs are still being used and manufactured by Pharmaceutical Companies, which are banned in other countries stating the reasons for their withdrawal;

(b) whether Government have drawn up a list of such drugs and their manufacturers;

(c) if so, the details thereof; and

(d) if no steps are being taken, what are the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) to (d) Information regarding the withdrawal of certain drugs by some countries from their markets is received by the Ministry of Health mainly through W.H.O. The W.H.O. have so far reported withdrawal of 44 drugs by certain countries. Out of the 44drugs 26 drugs were not at all approved for marketing in India and action to withdraw 11 drugs from the Indian market had already been taken in consultations with experts.

In respect of the remaining 7 drugs, it may be stated that though these 7 drugs are banned in some countries yet these are still being marketed in a number of developed countries. In consultation with the medical experts a decision was taken to permit the marketing of these drugs in the country subject to a cautionary statement and contra-indications being given on the lable/package insert.

Names of these seven drugs together with their prominent manufacturers and the reasons for withdrawal in other countries is annexed. [*See* Appendix CL, Annexure No. 85].

Recognition of fifth Medical College in Trichur, Kerala

1747. SHRI ARANGIL SREEDHARAN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that the question of giving approval to the fifth Medical College in Trichur in Kerala has been pending for want of clearance from the Medical Council of India; and

(b) if so, the steps taken to expedite the said approval, in view the difficulties being faced in getting registration by the M.B.B.S. students who passed out in 1988?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) and (b) The Medical Council of India has reported that inspection of the facilities for teaching available at the Medical College in Trichur in Kerala was carried out by the Council in September, 1986. The inspection report was considered by the Executive Committee of the Council at its meeting held on the 17th March, 1989. The matter was placed before the Council at its meeting held on the 27th April, 1989. The decision of the Council is awaited.
